When grievance mediation is invoked, the contractual time limit for moving the grievance to arbitration shall be delayed for the period of mediation.

Both sides shall be provided ample opportunity to present the evidence and argument to support their case. The mediator may meet with the parties in joint session or in separate caucuses.

The decision shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.
- 6.7 The fees and expenses for the arbitrators' services and proceedings shall be borne equally by the Employer and the SPFSA, provided that each party shall be responsible for compensating its own representatives and witnesses. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.
- 6.8 **WAIVER:** If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the SPFSA may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. - 15.5 Maternity and Parental Leave.  - 16.2(2) The employee must file a waiver of re-employment with the Human Resources Director, which will clearly indicate that by requesting severance pay, the employee waives all claims to reinstatement or re-employment (of any type), with the City or with Independent School District No. 625.

- 16.5 For the purpose of this severance program, a transfer from the City of Saint Paul employment to Independent School District No. 625 employment is not considered a separation of employment, and such transferee shall not be eligible for the City severance program.
- 16.6 The manner of payment of such severance pay shall be made in accordance with the provisions of City Ordinance No. 11490.

ARTICLE 18 – VOLUNTEERISM AND/OR OUTSIDE EMPLOYMENT

As a condition of employment, any position represented by the union as covered in the contract, will be prohibited from membership in any fire department other than the Saint Paul Department of Fire and Safety Services. In addition, other outside employment related to fire suppression must be approved by the fire chief.

ARTICLE 19 – INCAPACITATION

- 19.1 Regular, full time employees in the titles listed in Article 3 of this agreement who are injured during the course of employment and thereby rendered incapable of performing job duties and responsibilities shall receive full wages during the period of incapacity, not to exceed the period equal to twelve (12) months plus accumulated sick leave. It is understood that in such cases, the twelve (12) month period shall first be utilized and only when same is exhausted shall accumulated sick leave be applicable.
- 19.2 Regular, full time employees in the titles listed in Article 3 of this agreement who are disabled through injury or sickness other than specified in Section 19.1 above shall receive full wages for a period equal to accumulated sick leave, plus six (6) months as provided herein. It is understood that in such cases, accumulated sick leave shall first be utilized before the six (6) months, or any part thereof, shall be applicable. It is further understood that the six (6) month period shall be available to members in this unit only in those years where the last available Annual Report of the City Civil Service Office shall show average sick leave used per member of the Saint Paul Fire Department, (based on the 1972 Annual Report method of calculating same), of eight (8) days or less. - 19.3 Employees injured or incapacitated by illness in the line of duty shall be entitled to reinstatement at any time within five (5) years from the date of injury or incapacity provided they are physically capable of resuming their job.
- 19.4 Except as specifically provided in this Article, all illness and incapacity rules and policies previously in effect shall continue.

ARTICLE 20 – DRUG AND ALCOHOL TESTING

- 20.1 **Policy:** The Fire Department recognizes illegal drug and alcohol usage as a threat to the public welfare and the employees of the department. Thus, the Fire Department will take the necessary steps, including drug and alcohol testing, to eliminate illegal usage. It is the goal of this policy to prevent and rehabilitate rather than terminate the employment of workers who are abusing drugs or alcohol. No member of the Fire Department shall be discharged for illegal drug or alcohol use without first having been offered the opportunity to discontinue use either through personal choice or by treatment for chemical dependency, if such treatment is needed. The Union agrees, at the Employer's request, to re-open negotiations of this Article during the term of this Agreement.
- 20.2 **Informing Employees about Drug and Alcohol Testing:** All employees will be fully informed of the Fire Department's drug testing policy before testing is administered. Employees will be provided with information concerning the impact of the use of drugs or alcohol on job performance. In addition, the employer shall inform the employees of how the tests are conducted, how well the tests perform, when the tests will be

conducted, what the tests can determine, and the consequences of testing positive for drug or alcohol use. All newly hired employees will be provided with this information on their initial date of hire. No employee shall be tested until this information is provided to him/her.

- 20.3 **Employee Testing:** No employee will be tested for drug or alcohol abuse unless there exists reasonable suspicion to believe that the employee to be tested is under the influence of illegal drugs or alcohol. Random or mass testing is prohibited. No such testing may be conducted without the written approval of the officer in charge of the unit. The officer in charge must document in writing who is to be tested and why the testing was ordered. Failure to follow any of these procedures shall result in the elimination of the test results as if no test had been administered. The test results shall be destroyed and no discipline shall be levied against the employee.
- 20.4 Urine collection shall be conducted in a manner which results in a legally acceptable sample as well as providing a high degree of security for the sample, freedom from adulteration of the sample, the highest possible accuracy of the clinical results while at the same time preserving the dignity of the employee. Administrative procedures shall be such as to prevent the submission of fraudulent tests. When appropriate, biologic testing of the samples may be included as part of such administrative procedures. In testing which could result in employee discipline, if the test result is positive, a split sample shall be reserved for independent analysis which shall be performed at the request of the affected employee. Upon request, an employee shall be entitled to the presence of a union representative before testing is administered.
- 20.5 **Testing Procedures:** All samples shall be tested for Chemical Adulteration, Narcotics, Cannabis, PCP, Cocaine, Amphetamines, Alcohol and Sedatives. The testing shall be done by a Selected Laboratory and the following standards shall be used:

All samples which test positive on a screening test shall be confirmed by gas chromatography-mass spectrophotometry, and no records of unconfirmed positive tests shall be released or retained by the laboratory.

Testing shall be conducted in a manner to insure that an employee's legal drug use does not affect the test results.

All results shall be evaluated by a suitably trained occupational physician or occupational nurse prior to being reported.

Test results shall be treated with the same confidentiality as other employee medical records. The test results shall not be reported outside the Fire Department.

- 20.6 **Chemical Dependency Program:** Each person whose urine tests positive for illicit drugs shall be medically evaluated, counseled and treated for rehabilitation, if required. In addition, at any time an employee may voluntarily enter the chemical dependency program without fear of disciplinary actions against him.

This Program is designated to provide care and treatment to employees who are in need of rehabilitation. Details concerning treatment any employee receives at this Program shall remain confidential and shall not be released to the public. The employee shall be responsible for the cost of treatment.

No employee shall be relieved or transferred to other than his usual duties on the basis of one test result although the employee may be re-evaluated for his duty assignment. When undergoing treatment and evaluation employees shall receive the usual compensation and fringe benefits provided at their assigned position.

ARTICLE 20 – DRUG AND ALCOHOL TESTING (Continued)

- 20.7 **Right of Appeal:** Each employee has the right to challenge the results of drug or alcohol testing in the same manner that he/she may grieve any managerial action.
- 20.8 **Duty Assignment after Treatment:** Once an employee successfully completes rehabilitation, he/she shall be returned to his/her regular duty assignment. Employee reassignment during treatment shall be based on each individual's circumstances. If follow-up care is prescribed after treatment, this may be a condition of employment. Once treatment and any follow-up care is completed, at the end of two years the records of treatment and positive drug or alcohol test results shall be retired to a closed medical record. The employee shall be given a fresh start with a clean administrative record.
- 20.9 **Right of Union Participation:** At any time, the Union, upon request, will have the right to inspect and observe any aspect of the drug and alcohol testing program with the exception of individual test results. The Union may inspect individual test results if the release of this information is authorized by the employee involved.
- 20.10 **Union Held Harmless:** This drug and alcohol testing program is solely initiated at the behest of the employer. The Fire Department shall be solely liable for any legal obligations and costs arising out of the provisions and/or application of this collective bargaining agreement relating to drug or alcohol testing. The Union shall be held harmless for the violation of any worker rights arising from the administration of the drug or alcohol testing program.
- 20.11 **Conflict with Other Laws:** This Article is in no way intended to supercede or waive an employee's federal or state constitutional rights.

ARTICLE 21 – OVERTIME

- 21.1 Employees required to work in excess of their assigned tour of duty will be compensated at the rate of one and one-half (1.5) times the employee's normal rate. Such compensation shall be made in cash or in compensatory time at the option of the Employer.
- 21.2 The purpose of this section is to effectively eliminate three (3) Fire District Chief positions, i.e., those positions which have been traditionally known as the pool of Fire District Chiefs.

Beginning December 31, 1997 the employer may assign Fire Captains to perform the duties of Fire District Chiefs only in accordance with subsections 2.1, 2.2, and 2.3 below.

- 21.2(1) All Fire Deputy or District Chiefs assigned and available for work on a shift are working as Fire Deputy or District Chief.
- 21.2(2) The Department may assign Captains as out-of-title District Chiefs for any absence (Scheduled absence, as used herein, is an absence that will be known when a segment schedule is prepared and distributed for the next, i.e., immediately following segment). However, the out-of-title assignments will not occur until Deputy and District Chiefs, as a group have scheduled or earned, within the calendar year, eight (8) overtime shifts per person. If a Deputy or District Chief elects not to use all of their allotted overtime days, the remaining days shall be used by other Deputy or District Chiefs. This overtime will be earned by filling Deputy and District Chief scheduled absences. Once the eight (8) overtime shifts per person are utilized, and a Captain is assigned to work out-of-title as a District Chief, and the assignment of a Captain to work out-of-title directly results in overtime during that work shift, no out-of-title assignments shall be made until such assignments are first offered to members of the Association. The Association shall determine the means and process for contacting Association members for such assignments. The selection of personnel for such assignments shall not be subject to Article 6 of this Agreement.
- 21.2(3) The Association will determine the method and be responsible for distributing the scheduled overtime tours of duty among the Deputy and District Chiefs. This will be done to the satisfaction of the employer that qualified personnel are filling the positions.

ARTICLE 22 – DISCIPLINE

22.1 The Employer may discipline employees in any form listed below:

Oral Reprimand
Written Reprimand
Suspension
Demotion

The Employer will discipline employees for just cause only and in accordance with the concept of progressive discipline.

Employees who are disciplined pursuant to the terms of this Article may appeal the Employer's disciplinary action solely through the grievance procedure set forth in Article 6 of this Agreement.

ARTICLE 23 – POSITION OPENINGS

23.1 To expedite the filling of vacancies under the civil service procedures, the head of the department or designated representative will:

- Make requisition for certification of eligibles to fill a vacancy within fifteen (15) days after determining that a vacancy exists.
- Within fifteen (15) days after the department head has met with the certified eligibles, he/she will fill the vacancy.

If no eligible list is in effect when a vacancy occurs, the department head shall, within fifteen (15) days, request the Human Resources Director to conduct an examination for the purpose of establishing an eligible list.

Nothing in this Article 23 shall be construed to eliminate or lessen the Department Head's right to determine the number of employees in any class title.

ARTICLE 24 – CITY MILEAGE

24.1 **Automobile Reimbursement Authorized:** Pursuant to Chapter 33 of the Saint Paul Administrative Code, as amended, pertaining to reimbursement of City officers and employees for the use of their own automobiles in the performance of their duties, the following provisions are adopted.

24.2 **Method of Computation:** To be eligible for such reimbursement, all officers and employees must receive written authorization from the Department Head.

Type 1 If an employee is required to use his/her own automobile OCCASIONALLY during employment, the employee shall be reimbursed at the rate of \$4.00 per day for each day the employee's vehicle is actually used in performing the duties of the employee's position. In addition, the employee shall be reimbursed \$.20 per mile for each mile actually driven.

If such employee is required to drive an automobile during employment and the Department Head or designated representative determines that an employer vehicle is available for the employee's use but the employee desires to use his/her own automobile, then the employee shall be reimbursed at the rate of \$.20 per mile driven and shall not be eligible for any per diem.

Type 2 If an employee is required to use his/her own automobile REGULARLY during employment, the employee shall be reimbursed at the rate of \$4.00 per day for each day of work. In addition, the employee shall be reimbursed \$.20 per mile for each mile actually driven.

ARTICLE 24 – CITY MILEAGE (Continued)

If such employee is required to drive an automobile during employment and the department head or designated representative determines that an employer vehicle is available for the employee's use but the employee desires to use his/her own automobile, then the employee shall be reimbursed at the rate of \$.20 per mile driven and shall not be eligible for any per diem.

- 24.3 The City will provide parking at the River Centre Parking Ramp for City employees on either of the above mentioned types of reimbursement plans who are required to have their personal car available for City business. Such parking will be provided only for the days the employee is required to have his/her own personal car available.

Effective January 1, 2007, the above mentioned plans will no longer be in effect. Employees of this bargaining unit shall be reimbursed at the IRS mileage reimbursement rate in effect. The rate of reimbursement to employees shall be reflective of any changes to the IRS rate.

ARTICLE 25 – DURATION OF AGREEMENT

- 25.1 Except as herein provided, this Agreement shall be effective as of the date the Agreement is executed by the parties, and shall continue in full force and effect through the 31st day of December, 2010, and thereafter until modified or amended by mutual agreement of the parties. Either party desiring to amend or modify this Agreement shall notify the other in writing so as to comply with the provisions of the Minnesota Public Employment Labor Relations Act of 1984. Retroactive pay adjustments shall apply to all active employees of the bargaining unit on the date of signing of the agreement except those who have been terminated for cause.
- 25.2 The wage schedule attached hereto as Appendix "B" shall take force and effect at such time as is specified in the administrative resolution recognizing and approving this Agreement in accordance with Section 12.09 of the Saint Paul City Charter.

APPENDIX D

MEMORANDUM OF AGREEMENT BETWEEN THE CITY OF SAINT PAUL AND The Fire Supervisory Association

The City of Saint Paul (hereinafter “City”) and the Fire Supervisory Association (hereinafter “Union”) agree to the terms of this Memorandum of Agreement (hereinafter “MOA”) for the purposes of establishing the City’s contributions rates to health insurance premiums for City employees who are eligible for such contributions.

1. Following a required request for proposal, the Labor Management Committee for Health Insurance (hereinafter “LMCHI”) recommended Health Partners to provide health insurance for City employees for 2008-2010.
2. The LMCHI recommended three health insurance plans from Health Partners: Distinctions, Primary Clinic with \$500 Deductible, and Open Access with \$1,500 Deductible.
3. The City has accepted the LMCHI’s recommendation.
4. The LMCHI’s recommendation does not equate to a selection of benefits, the selection of plans to be offered in subsequent years, nor shall in any way be construed as a form of negotiations.
5. The collective bargaining agreement between the City and Union will expire on December 31, 2007.
6. Since negotiation of a new agreement may not be completed by Open Enrollment in October 2007, the City and Union have entered into this MOA to establish contribution levels for each plan so individual employees can make an informed decision regarding their health insurance.
7. The language of this MOA will be incorporated into the subsequent collective bargaining agreement.
8. The City will make the following monthly contributions for health insurance in 2008:
 - a. Open Access with \$1,500 Deductible

c. Distinctions

11. The City's additional compensation for single coverage employees who select the Open Access with \$1,500 Deductible plan may be reduced by \$25 per month if a VEBA account is selected by the LMCHI that allows employees to draw upon that money while employed.

12. The Union agrees to waive any and all rights to file a grievance or court action regarding this change in health insurance plans or the aggregate value of the benefits provided by the health insurance plans recommended by the LMCHI for 2008-2010 health insurance.
